Proposed one way scheme

QUESTIONNAIRE

Concerns have been raised about the flow of traffic around the inner area of Chelmsford particularly in peak periods. A one-way system is being investigated as a way to better manage traffic and improve the flow.

Essex County Council would like to know your views on the following questions in order to collaborate the results of this exhibition.

Please circle the appropriate score to the following questions on the tear-off slip on the right hand side. There is also a comments/ observation section overleaf.

- 1: Strongly support
- 2: Support
- 3: No view
- 4: Oppose
- 5: Strongly oppose

a To what extent do you feel there is a traffic problem in the area shown?

b What do you feel is the biggest traffic problem – please circle to relevant option.

c To what extent would you support the provision of the One Way System Proposal?

d To what extent would you support the provision of signalised pedestrian crossings at the Duke Street/Victoria Road junction?

e To what extent do you agree with the permanent closure of Duke Street under the Railway Bridge but allowing buses and taxis?

f To what extent do you agree with the possible provision of two lanes of traffic on Market Road?

g If Market Road is converted to two lanes, to what extent would you agree with the relocation of the Taxi rank to the opposite side of the road to accommodate this change?

h We also want to investigate the possibility of restricting HGV access in the town centre to off-peak hours only in the future. Would you support this idea?
