

**We need
your votes
so that Lib Dem councillors
can...**

...cut congestion
by promoting schemes to
ease the traffic flow through our city centre.
Not over-development from the Tories

...unshackle Council cash
and spend it on better services as outlined in our manifesto
Not making decisions behind closed doors like the Tories have done.

And so we can...

...have Stephen Robinson as our MP
to work for us in Parliament
Not a Tory MP who uses a chauffeur and not the train!
